Fried corn and chicken bread, that's what my granny
said
If you got a heard up in your head
Eat some fried corn and chicken chick chick chicken
bread

Go nna take a long walk, have me some fun
Hang out under the Virginia sun
In the blue grass by a big old tree
Nothing to hear but a honey bee

Oh feels so good to be back home
Always feels so good to be back home

Well my momma's pretty and my daddy works hard
Stacking the hay to the top of the barn
Something's cooking and it sure smells good
Yeah I came back like I said I would

Yeah feels so good to be back home
Always feels so good to be back home

Hey everybody dance, dance, dance
Oh feels so good to be back home yeah yeah
Always feels so good to be back home

Yeah feels so good to be back home
Always feels so good to be back home

Sunrise about six in the morning
Sunset about six in the day
Sunrise about six in the morning
Sunset about six in the day

Fried corn and chicken bread, that's what my granny
said
If you want to get that girl in bed
Feed her fried corn and chicken bread
Fried corn and chicken bread, that's what my granny
said
If you got a heard up in your head
Eat some fried corn and chicken chick chick chicken

bread
