No sweat, it's no sweat, it's no sweat
Never, never see me sweat
Ay, ay, ay, ay, ay, ay, ay
Tell 'em folk it's no sweat
Naw, no sweat, ay, it's no sweat, it's no sweat
Never let 'em see me sweat

Hey, you can ride with my dimes
She keeps 'em on the way
You say you need that window whir
But blow it away

It's no sweat, it's no sweat
It's no sweat, there's no sweat
(Never let 'em see me sweat)

Hey, I'm the best in the game
Kick it with the best in the game
Ain't no need for me to worry
'Bout the rest of you lames

It's no sweat, it's no sweat
It's no sweat, it's no sweat

Yeah, you can call me the king
They also call me the vet
Haters can call me the reason
Their bitch ain't callin' 'em back

The press be callin' me cocky
I ask 'em what you expect
First album flopped, my label dropped
Man, I took off like a jet

Niggas hate on me often 'cause I'm a boss and exec
Do anything for my family, willing to die for respect
I bet I got it in cash, the same thing you got in a check
Wonder how I got it so fast, baby, you gotta invest

I can be cool to St. Louis, I can be hot as Tibet
For you can get through security, I'd done got on a jet
You must be under a rock if you haven't heard of 'em

yet
Paris and Germany be buggin' me, I'm certain to that

Anything my heart desires, I can certainly get
The Ferrari light SV, what it's be a convertible, yes
A lotta niggas say they name but I ain't heard of 'em
yet
So when I check 'em, they deserve that

Hey, you can ride with my dimes
She keeps 'em on the way
You say you need that window whirr
But blow it away

It's no sweat, it's no sweat
It's no sweat, there's no sweat
(Never let em see me sweat)

Hey, I'm the best in the game
Kick it with the best in the game
Ain't no need for me to worry
'Bout the rest of you lames

It's no sweat, it's no sweat
It's no sweat, it's no sweat
