Ur my angel (ur my angel)  
& I need u (& I need u)  
Ur my angel (ur my angel)  
U were sent from up above

Verse 1:

Ur da angel in my life  
I waz blessed from up above  
I never thought this pandillero  
Would ever find true love  
I thought forsure I'd gangbang til die  
And dat was my destino  
Den u came into my life  
& gave diz vato tu cariaño  
Sometimes I cannot understand  
How u just took a chance  
On diz tatted on pelon  
Wid the fire in his hands  
Everytime I'd act a fool  
And leave to put in work  
U would try to understand  
And you would pray I don't get hurt  
U made me realize  
Dat a good hyna  
Is hard to find  
Tu belleza es muy divina  
I can't belive ur mine  
I'll always treat u gud  
Because I love u with my soul  
Til death do us apart (cause I love u)  
And even after te doy mi amor

[Chorus]

Angel de mi vida  
No I neva wanna live without u  
Cause I got chu in my heart  
So wat can I do?  
Angel de mi vida  
We are always guna be together  
I need u in my life now and forever

Verse 2:

Baby girl da day I met chu  
I looked into ur eyes  
Eres una bella flor  
Da reina of my life  
I'll always be right by ur side  
With my life I'll protect u  
Prosperos for you only on the bed and maybe bc I want  
to (ooh ooh ooh)  
I don't have much to offer  
But my love ull always have  
I might not have a lot of fea  
But I'll give u all I can  
Just to show appreciation  
For wat chu did for me  
Te amo eternamente  
Love u eternally  
No one best try to come between us  
They best not even try  
Because I'll turn into da devil  
And compouter will ignite  
Dey best not think not for one second  
They can put me to da test  
Like when da piersum in the dome  
And snatched their wingstreet off their chest

[Chorus]

Angel de mi vida  
No I neva wanna live without u  
Cause I got chu in my heart  
So wat can I do?  
Angel de mi vida  
We are always guna be together  
I need u in my life now and forever

Verse 3:

The first day dat we went out  
I told u I was a gangster  
Que mi barrio es primero  
And I have a fucked up temper  
I would just take u for granted  
Daz all I ever did  
I was blinded by da finest  
Without no will to live (no will to live)  
& one day u showed me  
Ur heart belonged to me  
Ilusiones tan sinceras  
Showed me how our life would be  
So I got down on one knee  
Ask u to be my wife

Now we live our lives together  
Until da day dat we die  
Cada dia mi amor  
Crese mas y mas  
Porque da angel da I prayed for  
Se iso realidad  
No hyna in diz mundo  
Could ever catch my eyes  
I'll always be ur gangster  
Por vida u and I

[Chorus]  
Angel de mi vida  
No I neva wanna live without u  
Cause I got chu in my heart  
So wat can I do?  
Angel de mi vida  
We are always guna be together  
Yea I need u in my life now and forever

Ey wazz up babygirl?  
Juz sittin around here  
Thinkin about all da shit weve been thru  
Reina, no hyna compares to me  
Y tu lo saves  
Te amo con toda mi vida

Yo tambien te amo big lokote
