Yeah, uhh
Yeah, yeah, yeah

I wanna be the first one to say
That I really like you
Feel some attraction
I wanna see you looking my way
All I wanna do is hold you
Because

Love's not love 'til you're mine, oh, mine
Love's not love 'til I feel your touch
I wanna be close to you and I want you so much
Love's not love until you're mine
Love's not love until you're mine

Yeah, yeah, from the very moment we met
I know I would never wanna be away from you
Baby, after all that was said
All I wanna know is you want me too

Love's not love 'til you're mine, oh, mine
Love's not love 'til I feel your touch
I wanna be close to you and I want you so much
Love's not love until you're mine
Love's not love until you're mine

More than ever it's true
Not ashamed to tell you
That my heart is crying
When you're walking alone
All you leave me sighing
And wondering, baby

Love's not love 'til you're mine, oh, mine
Love's not love 'til I feel your touch
I wanna be close to you and I want you so much
Love's not love until you're mine
Love's not love until you're mine

Love's not love until you're mine
(Until you're mine)

Love's not love until you're mine
Until you're mine
(Oh, no, no, no)

Until you're mine
(Until you're mine)
Until you're mine
