They still callin me candy man  
when they see me pass  
I get more stares then a poster  
because I love to act  
I chunk the 2s and pass  
watchin every hata move  
Cuz wit my ride I'm in secure  
so ima act a fool  
Yup Yup I keep that tool  
when I cruise or post on blocks  
So when I'm round it go down  
like a crowd that heard shots  
Body gon swang the lac  
doing 50 in the turnin lane  
Big will on 24s  
wit doors up and marble paint  
Candy paint  
wut I'm flippin on  
Me and Yiotti hit the road  
we tippin strong  
He swang right  
while I'm switchin lanes  
Hit the button trunk pop  
and let it wave  
Then let it bang  
cuz that's wut it do  
Same car u might find  
in ya fruit loops  
People screaming my name  
when they turn me on  
Keep black white n yellas  
jus like a vouge  
On 3s or 4s  
or even 24s  
Ima still  
swang like indiana jones  
We so on  
wheels big chrome  
They on ex  
they gettin dey roll on  
I get respect  
got stacks on deck

I'm workin wit screens  
like alex trabet  
Still known as candy man  
when I swang the whip  
I'm riding on the alphabets  
that's 26  
Its big shane  
catch me swangin like a gymnast  
Steve harvey dress code  
u kno a nigga lookin fresh  
I needa go to rehab  
everyday its the same thing  
In stores and at the club  
I can't stop blowing light green  
But I dont smoke the chonic  
I'm talkin bout that money  
Play wit me  
get stiched, like some red monkeys  
But I be watchin u  
watchin how the ride sit  
I'm high and sit on buttons  
like I'm on a sidekick  
So the ride sick  
betta yet, the ride the shit  
I'm like a slave owner  
how I'm swangin different whips  
I see you staring at me  
trying to see, but dem windows tinted  
I'm countin bread while gettin head  
that's money ova bitches  
You play with my chips  
I'll break u off something proper  
Beef on my mind  
like im always fiendin for a whopper  
I'm on a major grind  
I aint here jus to make no huns  
I want that r&b money  
christin millians
