let me be your one light
and if you'd like a true heart
take the time to show you're mine
and I'll be a blue moon in the dark

while you sleep you'll see me there
clouds race across the sky
close your eyes and don't ask why
and I'll be a blue moon in your eyes
morning comes and sleeping's done
birds sing outside
if demons come while you're under
I'll be a blue moon in the sky

let me be your one light
and if you'd like a true heart
take the time to show you're mine
and I'll be a blue moon in the dark
