[Announcer]

Alright, fellas that was Ashley on the main stage
And right now it's time for the "Dã©ja Vu"
Buy one, get two table dances alright now fellas,
You know what to do,
Here come the ladies!
Here come the ladies!

[Chris Rock]

Hey baby, hey baby
Hey light-skinned sister, come on over here and give a
brotha a dance.

[Girl]

Uh... I already got a customer

[Chris Rock]

Hey, hey, hey, hey
Dark-skinned sister why don't ya give a brotha a dance,
come on give a brotha a dance...

[Bitchy Girl]

My shift is over!

[Chris Rock]

Well why don't you work some overtime then!?!

[Bitchy Girl]

SHIIT!!!

[Chris Rock]

Okay, I understand ya shit..
Hey baby, come here, come here, give a brotha a
dance
Corn-rowed sister, give a brotha a dance

[Girl]

I'm a waitress!

[Chris Rock]

Oh okay, okay

(piano starts to play)
Damn! What am I glass? I think I'll sing.

(singing to piano melody)
La-dies of "DÃ©ja Vu"
What must I do... to get with you
I got a role of twenties buried in my pants
So here's on little question that I'd like to ask...

(Rap beat starts)

(Chorus: Repeat x4)
CAN A NIGGA GET A TABLE DANCE!!!
SHAKE IT UP! SHAKE IT UP! WOO! SHAKE THAT THANG!

[Maestro]
I been workin' for a week, here's the money I got
I'm lookin' for a place to bust this nut
I'm attendin' in my benzo
Lookin' for a place to find some mackin' hoes
But that shit don't thrill me
So I head out to the mad city to get it on, G
Out the benz, I'm lookin' for fun
I'm lookin' for a place that gonna move some (echo)
Know what I'm sayin', know what I'm talkin' about?
I'm lookin' for a bitch that can turn the party out
I met a bitch named Dynasty,
Wit so much back, she made a blind man see.
What's really happenin'?
Too many clothes, not enough booty slappin'
Now I don't need romance, all I need to know is

(Chorus: Repeat x2)
CAN A NIGGA GET A TABLE DANCE!!!
SHAKE IT UP! SHAKE IT UP! WOO! SHAKE THAT THANG!

(Gong Sound)

[Stripper]
I'll give you a table dance!

[Chris Rock]
But you're white!

[Stripper]
And you're cute.

(They start to get it on)

[Chris Rock]
This is a great table dance!

[Stripper]
Hey, you like that?

[Chris Rock]
I love it! This table dance makes me wanna... makes
me wanna SING!
