I'm driving alone
Sad 'bout you
Not going home
What to do

You better not leave me here
Better not leave me here
Ooh I want you here
How can you leave me here?

I lie in a stream
And floating fine
Receiving things
In my beautiful mind

Sometimes oh sometimes
Sometimes oh sometime
Lover yes I am
Lover you know I am
Ooh

Now I'm in a bar
That's got to be where they are
Going to dance in the bar
They're going to fight on the floor
Faster than I can see

Now I gonna score
Make for the door
Who is this whore?
Soon be beggin' drags

And I'm thinkin' Christ
Nullify my life
Nullify my life, ooh

You're gonna die
Yes you're gonna die
Got to go
You're gonna die
Gonna decease
