You feel sad 'cause I got mad
And I'm sorry, I'm sorry
Things I said made things seem bad
But don't worry
'Cause it's gonna be alright now
Be okay
You know I just don't think before I speak

I've been lookin' for to find
Somethin' to believe in my mind
And I thought it was you

All this time since you've been mine
I've been angry, so angry
Made it known I could make it alone
But I'm changin'
And I'm gonna be alright now
Be okay
You know I just woke up and I see the way

Don't give up on me so fast
I see it's me that's wrong at last
Give me another chance

It's so hard just to stay alive each day
I really can't go on this way, ho no, oh no

Hey hey
Hey hey hey
Hey hey
Hey hey
Hey hey, hey
Ahh

Don't give up on me so fast
I see it's the end, it's wrong at last
Give me another chance
