"From Acid To Zen"

Visit "[From Acid To Zen](#)" on MotoLyrics.com

Just knowing mindblowing
I'm astonished by the things you say
Your genius gone delirious
cracking me up the things you say

But in my mind I fall behind
I feel it all but love
But in my mind I'm not so kind
I only feel your sadness

And I can't get through
I can't get through to you

So here we are but no cigar
idiots and electric guitars
You're hiding, keep riding
from acid to zen and back again

But in my mind I fall behind
I feel it all but love

But in my mind I'm not so kind
I can only feel your sadness

And I can't get through
I can't get through to you

And I can't get through
I can't get through to you

And I can't get through
I can't get through to you
