GD:

The minute that I met you was like 'Whoa'
And every thing about you was so beauti-damn-ful
You know I had to get the digits, yo yo
The 4-1-1, the things that you like, and don't like
Got a feeling you're the one I've been dreaming of
Got a feeling in my heart, and it's screaming 'Love'
It's you I live my life for, it's the one I adore
I'm gonna love you for life
And baby that's foshu
Feel me?

{Japanese Falsetto // Chorus:}

Miageta sorano hyoujou
Kimi wo omouto kagayakidashita.
Mezamete sugu no kanjou takanaru kodou
