(Randolph)(Chorus)
Bad Boi Bad Boi
What you gonna do
when I come to pee I you
I don't know but I think you should run far away
Cuz I'm gon-gonna get you anyway
and I'm gonna get ya good
and when it comes to me I don't really care
but I think you should run
further back than Robin Hood

I wish that I could hold ya for a
long long long time span
and when it comes to me I don't
really care but I think you should run
further back than Peter Pan
pan pan pan pan pan

(G-ReG)
YOO!!!!
Did you hear that
while I flip back my hat
I'll eat you like a bat
while i pull out my gat
and few seconds later you gunna hear a burat(gun
noise)

(Chorus)

PEACE!!!
