Biggie's Talking intro

[x6]

Mafioso

[Little Ceas:]

How you figure that your team can affect my cream

Gold and platinum. Black since I stepped on the scene

Kn - I mean. Peep the scene:

Jacooze full of women.

She hittin me and him and him much love like
wembelton

While niggaz screamin killa

I'm overseas in my villa

Wit my masseuse struttin illa

frank switch the plan. Cock the Lexus Lan

See cutta, Rockafella 4 hundreds and betta

Little Ceas push threes with fives in his eyes

not that I'm gon cry for Mary Blige

I die for my niggaz packin steel

Chicken heads with sex appeal

reveal sexual acts up in Capone's Ac

The Chocolate Dime watch the Mafia shine -unh

Girls git your own, can't touch a dime of mine

Biggie

And if you don't stop, then we won't stop

Continuously to git (git money)

You can be as good as the best of them

but as bad as the worst

so don't test me (get money)

You better move over (get money)

[Little Kim:]

Big Momma, keys in Tiawana

Some call me Donna Karan or Armani

Gats for the poonani

For brown nose pussy crushers

Cap peelin others. Ignorant muthafuckas.

Drive a Benz or Miata. This honey's got a

sweet peniata. Six shotta

Little Kim the Black Erika Caine -in
Who remains in Chanel frames and
Animals of all kind.
Russian Fendi sables
with matchin pool tables
Read the Label - MAFIA
Admirin my shoes by Gucci
I be eatin sushi, playin with my coochi
Countin lucci. Nigga I got banks to rob
Convertible Saabs. I'm married to the mob

Biggie

[Biggie Smalls:]
Frank White the desperado
Used to rock the all black Movado
The all black Eldorado.
All that and a bottle of Don P
Niggaz can't harm me, I keep the army.
Is Brooklyn in the house? - Without a doubt
I'm the rapper with clout everybody yap about
check it out: guns I bust em
Problems with my wife: don't discuss em
Coups and lier jets I lust them
Finger prints I dust them. Recent address
Stuck you for your stash in your pissy mattress
Your mom's a actress. Didn't wanna show me the thing
It's okay, she was old anyway. I display
Hot 97 rhyme ready. Cocked Mac-11, line steady.
Like Tevin Campbell I'm ready to do what I do
Continuously to git

You can be as good as the best of them...
