Going, I'm trying to forget what's happening whit me
after that,
I fucked it up and now I wanna die,
'Cause I did that to you,
I'm going on whit a double life and I don't know what to
do whit you,
I feel like I'm a hypocrite and now,
I wanna die,
I fucked it up and now I wanna die,
'Cause I did that to you,
You tell me what happened whit me,
What happened whit me.

I wanna die,
I fucked it up and now I wanna die,
'Cause I did that to you,
I'm going on whit a double life and I don't know what to
do whit you,
I feel like I'm a hypocrite and now,
I wanna die,
I fucked it up and now I wanna die,
'Cause I did that to you,
What happened whit me,
What happened.

Hey mother fucker,
I hate your parties always full of shit,
Hey fucking mother,
I don't even care about your life, all I wanna do is drink.
