To blame me,  
You gotta realize that I couldn't understand what was  
going on,  
'Cause I blame you,  
You weren't really clear when you said it was nothing to  
worry about.

And now we gotta go our separate ways, and it feels  
good for you,  
You gotta rearrange your mind,  
It wasn't all the bad it was fun infact, it feels good for  
me too,  
But I was just a stupid waste,  
A waste of time.

If it doesn't kill you it makes you stronger, makes you  
strong I know.  
But strong is not how I wanna be.

It couldn't have been better if it wasn't for you early  
faithlessness,  
So I can no longer trust you.

And now we gotta go our separate ways, and it feels  
good for you,  
You gotta rearrange your mind,  
It wasn't all the bad it was fun infact, it feels good for  
me too,  
But I was just a stupid waste,  
A waste of time.
