Having pictures on my bedroom wall,  
Makes me feel so good,  
It makes me think about you,  
Having the time of my life,  
Every christmas I spent whit you,  
I only wanna be whit you.

Why can I hug you only in christmass.  
Why can I hug you only in christmass.

Looking trough my window there are too many people  
passing by,  
Makes me sick, makes me sad,  
I feel like a sucker when I, can't see you,  
Can't hear your voice, I only want you to come along,  
'Cause I don't wanna be alone.

Why can I hug you only in christmass,  
Why can I hug you only in christmass,  
Why can I hug you only in christmass,  
Why can I hug you only in christmass
