The jester hops on the leg of time,  
The scourge of the wizard nation.  
Magical chanting is no crime,  
When you're suckled by a blind Alsatian.  
Who stole the leg of time?

Seen through the eyes of Murgar's kestrel.  
Where's the tiny mouse? There it is  
Ah ha ha  
Ah ha ha

Ride a white pig to the edge of Lapland.  
Why did I do that?  
Why did I do that?  
I don't know.

Who stole the leg of time?  
When time had one leg it couldn't march.  
It stopped.  
It hopped.  
Who stole the leg of time?

Was it the wizards? No  
Was it the goblins? No  
Was it the elves? No  
Was it the dwarves? Nooo  
Was it the kestrels? No  
Was it the satyrs? No  
Was it the brain police? What?

Was it the man with the key to the door of reality,  
Underneath the mat of insignificance? Nope

Well, who was it then?  
Was it the terrorists? No  
Was it the pterodactyls? No

It was Terry!  
Terry!  
Terry stole the leg of time

Cockney Medley!

Oh Terry you slag you nicked the leg of time  
Give it back before you get a slap.  
Take it down the dog and duck and leave it behind the  
bar  
Or you'll get a slap sunshine

Don't give me no rabbit!  
Leave it behind the bar  
Get off me sister  
Leave it behind the bar  
Give me half a pound  
Leave it behind the bar...

Who stole the leg of time?  
Terry stole the leg of time
