Love lost her way again  
I stayed at home  
Another sleepless night

Here by a telephone  
That never seems to  
Ring a ray of hope  
Into a man so all alone

And I tried to let you go  
Time after time  
I lost my mind

Suddenly late last night  
You finally called and  
All my dreams came true today  
You're coming home to stay

[CHORUS]  
Tonight, tonight  
You'll be back in my arms  
Back in my life  
So right, so right  
We'll never have to  
Say goodbye because  
Tonight, tonight  
The love we used to have  
Is gonna return  
Tonight, tonight  
The love that went away  
Is coming home to stay

You are my happiness  
One kiss can change the past  
And cast it all away

Nothing will ever  
Change the way I feel  
And I can hardly wait to see you  
You're coming home at last

[Repeat CHORUS]

Tonight, tonight  
The love we had is returning  
Make it right tonight  
The love that went away  
Is coming home to stay

You are my love  
My everlasting love  
Everlasting love
