I've been looking for an original sin  
One with a twist and a bit of a spin  
And since I've done all the old ones  
Till they've all been done in  
Now I'm just looking  
Then I'm gone with the wind  
Endlessly searching for an original sin

You can dance forever  
You got a fire in your feet  
But will it ever be enough?  
You know that it'll never be enough  
You can fly and never land  
And never need to sleep  
But will it ever be enough?  
You know that it'll never be enough

It's not enough to make the nightmares go away  
It's not enough to make the tears run dry  
It's not enough to live a little better every day  
Everything that they taught us Was nothing but lies  
Everything that they bought us Was nothing but bribes  
But it'll all be over now

All I wanted was a piece of the night  
I never got an equal share  
When the stars are out of sight And the moon is down  
The natives are so restless tonight

All I needed was a spot in the light  
It never had to get so dark  
When the stars are out of sight  
And the moon is down  
The natives are so restless tonight  
The natives are so restless tonight

I've been looking for the ultimate crime  
Infinite victims, infinitesimal time  
And I'm so very guilty for no reason or rhyme  
So now I'm just looking  
And killing some time

Endlessly searching for the ultimate crime

You can lose yourself in pleasure  
Till your body's going numb  
But will it ever be enough?  
You know that it'll never be enough  
You can always take whatever  
You conceivably could want  
But will it ever be enough?  
You know that it'll never be enough

It's not enough to make the nightmares go away  
It's not enough to make the tears run dry  
It's not enough to live a little better every day  
Everything that they taught us  
Was nothing but lies  
Everything that they bought us  
Was nothing but bribes  
But the lies are over now

All I wanted was a piece of the night  
I never got an equal share  
When the stars are out of sight  
And the moon is down  
The natives are so restless tonight

All I wanted was a spot in the light  
It never had to get so dark  
When the stars are out of sight  
And the moon is down  
The natives are so restless tonight

I've been looking for an original sin  
One with a twist and a bit of a spin  
And since I've done all the old ones  
Till they've all been done in  
Now I'm just looking  
Then I'm gone with the wind  
Endlessly searching for an original sin

I'm applying for a license to thrill  
Going out on the edge  
Moving in for the kill  
They'll be hell to pay someday  
So put it all on the bill  
Cause we'll always be paying  
And paying until  
We're beyond expiration  
With a license to thrill
