We are the most ambitions
The most step on it
The most to talk shit
Is the most they don't want me
The people... america's most wanted
We throw the most bang out
The most gang out
The most house party with...
The most inmates
The most bad news
... the most rock so
The most... show up over where when I am not home
... the most locked up
They don't watch tv no more
They watch us

Every time I step out
There the niggers go
There the niggers go
There the niggers go
Asking who si the ebst... like
There the niggers go
There the niggers go
There the niggers go
Way out of town they say
There the niggers go
There the niggers go
There the niggers go
You are fucking with now they say
There the niggers go
There the niggers go
There the niggers go

I keep the most bitches
The most hated... underrated
... ir ap niggers I don't give a fuck...
I will let you smoke some... radio
All that I know is... drop the shit over daddy
You give your daughters back... I am blessed with

Every time I step out

There the niggers go
There the niggers go
There the niggers go
Asking who si the ebst... like
There the niggers go
There the niggers go
There the niggers go
Way out of town they say
There the niggers go
There the niggers go
There the niggers go
You are fucking with now they say
There the niggers go
There the niggers go
There the niggers go
