We go to a dance
Dance every dance together
Every step that we take
You know that we'll make it forever

Each kiss is out of sight
And everything is going just right
Baby, baby, baby
We're swinging tight

When we walk down the street
We only have eyes for each other
Yeah (yeah) yeah (yeah)

And the feeling's so good
You know we never could love another
Yeah (yeah) yeah (yeah)

The stars will throw their light
Shine just for us tonight
Baby, baby, baby
We're swinging tight

When I dream all my dreams
I know that my dreams will come true
Yeah (yeah) yeah (yeah)

Cause one of these days
You're going to say that I do
Yeah (yeah) yeah (yeah)

The future looks so bright
Cause we're in love
With all of our might
Baby, baby, baby
We're swinging tight

Swinging tight, swinging tight
Every little thing's gonna be all right
Swinging tight, swinging tight
Every little thing's gonna be all right

Swinging tight, swinging tight
Every little thing's gonna be all right
Swinging tight, swinging tight
Every little thing's gonna be all right
