Ooohhh, do you(6x)  
Ooh babe Iã,'m watching you babe  
When youã,'re in the mirror  
And baby I love the faces you make can be any clearer

We can be working all through the night  
Put it in overtime and you know  
Exactly what I need  
So tired of music that,  
I wanna hit the sounds of us alone  
Itã,'s only me and you

[Chorus]  
Donã,'t stop doing what you do  
Keep doing what you do do do you do you  
Do you like the way Iã,'m doing you  
When I do you you you do you do you do you  
Do you like the way that I put it down on you  
Itã,'s only me and you  
Do you like the way that I put it down on you  
Do you do you do you

Do you intoxicate me and I get a rush from you (do you  
do you)  
Oh itã,'s running through my veins  
Can you feel it in the same kinda places

We can be working all through the night  
Put it in overtime and you know  
Exactly what I need  
So tired of music that,  
I wanna hit the sounds of us alone  
Itã,'s only me and you

Itã,'s only me and you  
Do you like the way that I put it down on you  
Do you do you do you

[Chorus]  
Donã,'t stop doing what you do  
Keep doing what you do do do you do you  
Do you like the way Iã,'m doing you

When I do you you you do you do you do you  
Do you like the way that I put it down on you  
It's only me and you  
Do you like the way that I put it down on you  
Do you do you do you

Do you like if I take my time and do this right  
Do you know how I feel inside I'll show you tonight  
It's getting closer, closer, closer  
So don't stop doing what you do

[Chorus 2x]

Don't stop doing what you do  
Keep doing what you do do do you do you  
Do you like the way I'm doing you  
When I do you you you do you do you do you
