Someday my prince will come
Someday I'll find my love
And how thrilling that moment will be
When the prince of my dreams come to me

He'll whisper, 'I love you'
And steal a kiss or two
Though he's far away, I'll find my love some day
Someday when my dreams come true

Someday my prince will come
Someday I'll find my love
And how thrilling that moment will be
When the prince of my dreams come to me

He'll whisper, 'I love you'
Then he'll steal a kiss or two
Though he's far away, I'll find my love some day
Someday when my dreams come true

Someday, yes, my prince, he's gonna come
Someday
