Take me back toward the sea  
Amongst the tide, amongst the sky  
Never thought much of the citylights.

Take me back to where I'm from  
Show me the chorus of the sun  
Let's make it like a hideaway.

Take me back to where I'm from  
For me, there's nothing more  
Take me back to where I'm from.

Take me back to where I'm from  
The sun, the sand, the shore  
Take me back to where I'm from.

Yes, I'm goin' home  
Yeah, I'm goin' home  
No other place for me  
No other place for me.

Yes, I'm goin' home  
Yeah, I'm goin' home.

Take me back to where I'm from  
For me, there's nothing more  
Take me back to where I'm from  
Take me back to where I'm from  
The sun, the sand, the shore  
Take me back to where I'm from.

Oh Ohh...
