You told me that your love was true
Sweetheart, I thought the world of you
But now you left me all alone
I have no one to call my own

Now sweetheart, you've done me wrong
You have left me all alone
Maybe there will come a time
Sweetheart, when you will change your mind

I never shall forget the day
When you said you were going away
I couldn't believe that it was true
After all the love I had for you

Now sweetheart, you've done me wrong
You have left me all alone
Maybe there will come a time
Sweetheart, when you will change your mind

This road is rough and rocky too
As I travel on, dear, without you
But I'm still praying for the time
Sweetheart, when you will change your mind

Now sweetheart, you've done me wrong
You have left me all alone
Maybe there will come a time
Sweetheart, when you will change your mind
