My heart feels like crying  
I never wanted to end it this way  
No point in us trying  
I guess it's up to you

Maybe you should have known better  
When all your friends kept telling you lies  
Maybe I should have known better  
You would be there for me

It's a bridge of heartaches we're walking over  
It's just a passion I'm feeling deep down inside  
It's a heartache which isn't over  
And my emotions are turning hurting my pride  
A bridge of heartaches...  
It's a heartache!  
It's a heartache!

Love is a thin line  
And I broke the rules, I'm sorry to say  
Don't wanna hurt you  
We gotta find a way

Maybe you should have known better  
When all your friends kept telling you lies  
Maybe I should have known better  
You would be there for me

It's a bridge of heartaches we're walking over  
It's just a passion I'm feeling deep down inside  
It's a heartache which isn't over  
And my emotions are turning hurting my pride  
A bridge of heartaches...  
It's a heartache!  
It's a heartache!

It's a heartache...  
A bridge of heartaches...

It's a bridge of heartaches we're walking over  
It's just a passion I'm feeling deep down inside  
It's a heartache which isn't over  
And my emotions are turning hurting my pride  
A bridge of heartaches...  
It's a heartache!  
It's a heartache!

It's a bridge of heartaches we're walking over  
It's just a passion I'm feeling deep down inside  
It's a heartache which isn't over  
And my emotions are turning hurting my pride  
A bridge of heartaches...  
It's a heartache!  
It's a heartache!
