The bride eyes of the boulevards is shining in your
tender eyes

Your perfume is exciting me
if's still the same.
Michelle
how I love when we love
and I love when you whisper:
je t'aime

Michelle
mon amour
is it true
do you feel the way I do?

A world without you
a world on my own

Without your love my heart will turn to stone.
A world without you
a day without light

Without your touch I couldn't stand one night. Oh
Michelle. -

I know there'll be no better heart
no better heart to hold on to

If you should ever let me down
I can't survive.
Michelle
how I love when we love
and we love you whisper:
je t'aime

Michelle
mon amour
is ist true
do you feel the way I do?

A world without you
a world on my own

...

C'est toi
et ce soir je te veux
faire l'amour avec toi
je t'aime!
Je sais
mon amour
que tu es le seul pour moi!

A world without you
a world on my own

...

A world without you

-

A world without you
oh Michelle.
