I used to think love was sweet.
Used to think we're so complete.
But look at our lives,
We shout and we fight.
Walking on the line, on the borderline.
I'm not that tough.
Your price of love is much too high.
You make me cry.
But that's for sure.
Can't take no more.

[Chorus]

You're breaking my heart.
Don't walk away Suzanne.
Don't go, don't tear it apart.
You're breaking my heart.
Don't walk away, Suzanne.
You're all, you're all that I've got.
Here's my confession, you're all that I need.
And you're my obsession, I'm down on my knees.
So don't walk away.
Don't walk away, Suzanne.

The shadows are closing in.
The time is ours to try again, and again.
I'm chained to your side.
I'm chained to your life.
Walking on the line, on the borderline.
I'm down and out, thinking about,
The words we said, good times we had.
Don't close the door.
I know for sure.

[Chorus]

Don't walk away Suzanne.
Don't go, don't tear it apart.
You're breaking my heart.
Don't walk away, Suzanne.
You're all, you're all that I've got.
Here's my confession, you're all that I need.

And you're my obsession, I'm down on my knees.
So don't walk away.
Don't walk away, Suzanne.

Don't walk away Suzanne.
Don't go.

You're breaking my heart.
Don't walk away, Suzanne.

You're all, you're all that I've got.

You're breaking my heart
Don't walk away, Suzanne [Fade out]
