Tossin' and turnin'
There's a fever so deep inside
The fever is burnin'
And I'm lyin' awake at night

How I want you to kiss
Want your body to move
And I want you to touch
Gonna break every rule

It can't be wrong to be in love
It can't be wrong so don't say no
I have been waitin' for so long
So can't we do it now?

Hungry for love
Voulez-vous coucher avec moi
In the heat of the night
Hungry for love
Voulez-vous coucher avec moi
Won't you stay by my side?

Tell me that I am just your lovin' man
'Cause all I want is you
Would you like to spend the night with me?
Tell me that you do, 'cause I'm hungry for love

Over and over
My emotions are runnin' wild
Make me your lover
Let me take you back home tonight

How I want you to kiss
Want your body to move
And I want you to touch
Gonna break every rule

I can imagine how it feels
And we are lyin' skin to skin
Heaven is just one word away
So can't we do it now?

Hungry for love
Voulez-vous coucher avec moi
In the heat of the night
Hungry for love
Voulez-vous coucher avec moi
Won't you stay by my side?

Tell me that I am just your lovin' man
'Cause all I want is you
Would you like to spend the night with me?
Tell me that you do 'cause I'm hungry for love

How I want you to kiss
Want your body to move
And I want you to touch
Girl, I'm gonna break the rules

It can't be wrong to be in love
It can't be wrong so don't say no
I have been waitin' for so long
So can't we do it now?

Hungry for love
Voulez-vous coucher avec moi
In the heat of the night
Hungry for love
Voulez-vous coucher avec moi
Won't you stay by my side?
