I believe. I believe in love.  
I believe. I believe in love.  
I believe in you.

I didn't want to change to anything.  
Oh I felt good. Only good in doing just permanent things.  
And I never ever could imagine. A life so heavenly.  
But then you came along.  
And you have changed the way I feel.

I believe. I believe in love.  
I believe. I believe in love.  
I believe in you.

You bring me joy in everything you do.  
And I know. Well, I know.  
You never ever let me go.  
And in you I found my woman. My lover and my friend.  
Since you have come into my world.  
The magic will never end.

I believe. I believe in love.  
I believe. I believe in love.  
I believe in you.
