Half away from having dreams  
On a Sunday, Sunday night  
Walking all alone in the streets  
On a Sunday, Sunday night

But then an angel passed me by  
A little angel made me sigh  
Just when I wanted you  
(Look)  
A dream came true, called love

I wanna hear your heartbeat  
Wanna feel what you need  
Let me stay tonight  
By your side, by your side

I wanna hear your heartbeat  
Share your dreams in you're asleep  
Let me hold you tight  
In the night, in the night

I don't wanna waste one second without your lovin'  
Without you Sunday girl  
You only got to reach out, reach out to taste my lovin'  
Won't you so Sunday girl?  
Oh, I really want you, Sunday girl

Heaven sent you down to me  
On a Sunday, Sunday night  
To rescue me from misery  
On a Sunday, Sunday night

You made me leave the past behind  
I've got you always on my mind  
Just when I wanted you  
(Look)  
A dream came true called love

I wanna hear your heartbeat  
Wanna feel what you need  
Let me stay tonight  
By your side, by your side

I wanna hear your heartbeat  
Share your dreams in you're asleep  
Let me hold you tight  
In the night, in the night

I don't wanna waste one second without your lovin'  
Without you Sunday girl  
You only got to reach out, reach out to taste my lovin'  
Won't you so Sunday girl?  
Oh, I really want you, want you

I wanna hear your heartbeat  
Wanna feel what you need  
Let me stay tonight  
By your side, by your side

I wanna hear your heartbeat  
Share your dreams in you're asleep  
Let me hold you tight  
In the night, in the night

I don't wanna waste one second without your lovin'  
Without you Sunday girl  
You only got to reach out, reach out to taste my lovin'  
Won't you so Sunday girl?
