Half away from having dreams
On a Sunday, Sunday night
Walking all alone in the streets

In the night, in the night
I don't wanna waste one second
Without your lovin'
Without you Sunday girl

Want you so Sunday girl
Oh, I really want you (want you)
wanna hear your heartbeat
Wanna feel what you need
Let me stay tonight
By your side, by your side
I wanna hear your heartbeat
Share your dreams when you're asleep
Let me hold you tight
In the night, in the night
I don't wanna waste one second
Without your lovin'
