My love  
now you're lying lonesome with visions of blue

visioning you.  
Again  
you let your heart go when

whenever you do  
it's hurting me  
too.  
When damage is done  
I watch you run

it's me you call  
to me you come.

Kisses and tears - my one and only

Don't be lonely  
I'm right here.  
Kisses and tears - we'll turn that bad dream  
To a good thing  
it's so clear.

Kisses and tears - a new world's waiting  
That we're creating with our love.  
Kisses and tears - my one and only  
Don't be lonely  
don't you run.

You know how a heartache ends

with visions of blue abandoning you.  
I know that we're more than friends

you know that it's true  
it's long overdue.  
No more to run  
no damage done

now hear my call  
to you I come.

Kisses and tears - my one and only

...

Kisses and tears - a new world's waiting . . .

Kisses and tears - my one and only

...

Kisses and tears - my one and only

...

Kisses and tears - a new world's waiting . . .
