Oh baby where are you? I hear you whispering in my mind.
But I can't see you. Tears keep my eyes so blind.

Your lady of hearts is gone with the rainbow.
And left you alone while daydreams are dyin'.

So goodbye lady of hearts.
I could feel those poison darts hurting me.
No angel can heal me.
Goodbye lady of hearts.
When the light of lovin' parts.
I believe you're with me and feel me.
My lady of hearts. Lady of hearts.

Can you imagine? Me feeling you here by my side.
But I can't touch you. You're just a shade of light.

Your lady of hearts. You'll never forget her.
She captured your soul. The moment you let her.

So goodbye lady of hearts.
I could feel those poison darts hurting me.
No angel can heal me.
Goodbye lady of hearts.
When the light of lovin' parts.
I believe you're with me and feel me.
My lady of hearts. Lady of hearts.
