I've travelled 'round so many lands  
The time was melting in my hands  
And where the desert meets the sky  
I saw the fires die  
All years have come and gone  
But still my love for you is strong  
I'm coming back from shadowland  
I'm coming back, give me your hand  
Can't you hear the train?  
The train at midnight  
Can't you hear the train?  
The train at midnight  
The train at midnight  
Have I been far away too long?  
Our feelings dead and gone  
Will it all end in hurt and pain  
It matches end in rain  
The world keeps turning on and on  
And the still the fever's growing strong  
I'm coming back, I'm on my way  
I'm coming back, give me your hand  
Can't you hear the train?  
The train at midnight  
Can't you hear the train?  
The train at midnight  
The train at midnight  
Can't you hear the train?  
The train at midnight  
The train at midnight  
The train at midnight  
Can't you hear the train?  
The train at midnight  
The train at midnight  
I'm coming back from shadowland  
I'm coming back, give me your hand  
Can't you hear the train?  
The train at midnight  
Can't you hear the train?  
The train at midnight  
The train at midnight  
The train at midnight  
Can't you hear the train?
