I don't expect the guarantee  
From you, but maybe somehow  
I thought your love was specially  
Made for me, now I know  
Dust in the sands, you've been sending  
So what is the game you're pretending?  
Who's that man by your side  
The man by your side  
Who's that man by your side  
The man by your side  
Cause if when we - all or nothing  
Cause if when we - you and me  
Who's that man by your side  
The man by your side  
The lesson you have given me  
I got it that is for sure  
You better stop messing around  
I'll walk right out through the door  
Dust in the sands, you've been sending  
So what is the game you're pretending?  
Who's that man by your side  
The man by your side  
Who's that man by your side  
The man by your side  
Cause if when we - all or nothing  
Cause if when we - you and me  
Who's that man by your side  
The man by your side  
Dust in the sands, you've been sending  
So what is the game you're pretending?  
Who's that man by your side  
Who's that man by your side  
The man by your side  
Cause if when we - all or nothing  
Cause if when we - you and me  
Who's that man by your side  
The man by your side (I wanna know)  
Who's that man by your side  
The man by your side  
Cause if when we - all or nothing  
Cause if when we - you and me  
Who's that man by your side...
