The bride eyes of the boulevards is shining in your  
tender eyes

Your perfume is exciting me  
If's still the same.  
Michelle  
How I love when we love  
And I love when you whisper:  
Je t'aime

Michelle  
Mon amour  
Is it true  
Do you feel the way I do?

A world without you  
A world on my own

Without your love my heart will turn to stone.  
A world without you  
A day without light

Without your touch I couldn't stand one night. Oh  
Michelle. -

I know there'll be no better heart  
No better heart to hold on to

If you should ever let me down  
I can't survive.  
Michelle  
How I love when we love  
And we love you whisper:  
Je t'aime

Michelle  
Mon amour  
Is ist true  
Do you feel the way I do?

A world without you

A world on my own

...

C'est toi

Et ce soir je te veux

Faire l'amour avec toi

Je t'aime!

Je sais

Mon amour

Queu tu es le seul pou moi!

A world without you

A world on my own

...

A world without you

-

A world without you

Oh Michelle.
