[CHORUS]

Only love can make me do what I'm doing
Only love can make me do what I'm doing now
Only love can make me do what I'm doing
Only love, only love

Anybody can sing a love song
Love doesn't know any
Right or wrong, no, no
Open your heart and sing along
Sing it

[Repeat CHORUS]

Well, you don't have to be afraid
To say I love you
'Cause somebody sometime
Somewhere is gonna love you
I know that's positive
Because I do

Yes, and I'm singing

[Repeat CHORUS]

Yeah, yeah, yeah, yeah
Ooh, la la la la la
Ooh, la la la la la, yeah
Ooh, la la la la la
Only love, only love

There's been a lot of folks
Singing for a long, long time
There'll be a lot of folks
Singing for the same kind

All of them saying
Let your love shine
You know I hear all of them saying
Let your love shine

Yes, and I'm singing

[Repeat CHORUS]
