If the challenge you've always wanted
Puts you finally in control
You don't have to dream about it
Doesn't matter if you're young or old

It's every man's chance to
Finally hit the ball, woo
It's pinball

It's the music, it's my TV
It's the lights is Las Vegas
It's Disneyland to me

When he puts his back to the wall
Don't matter if you're short and tall

It's every man's chance to
Finally hit the ball
It's pinball, that's all
It's pinball, that's all

Now it may be just a game to you
And everything to me
It's pinball, yeah
Just a little pinball

Turn it over
Get that extra ball

Don't matter if
You're short and tall
It's every man's chance to
Finally hit the ball
It's pinball, that's all

Talking 'bout, talking 'bout
(Pinball) a little pinball
(Pinball) you finally got your chance
(Pinball) to hit the ball (pinball)
Remember what you told them all

Talking 'bout a little pinball

A little pinball
Rich man, poor man
Finally got your chance
To hit the ball

Remember what you told them all
You finally got your chance
Finally got your chance
To hit the ball

(Pinball) hit the ball
(Pinball) hit the ball
(Pinball) hit the ball
(Pinball) hit the ball
