Whoa awww yeah

Tired of the preachers in the magazines
Telling you you're not okay
Join us ugly people
Raising self esteem
Higher every passing day

[BRIDGE]

There'll be no one putting you down when I say
(Hey, hey, hey)

[CHORUS]

We are the beautiful ones
We are the beautiful ones

Dressing outta fashion
Breaks their golden rule
They will never show their face (show their face)
What a sad distraction
Trying to be cool
Starving just to lose some weight

[BRIDGE]

Why'd you wanna listen to them anyway?
(Hey, hey, hey)

[CHORUS]

We are the beautiful ones
We are the beautiful ones

Now are you feeling the model's so appealing?
Are you really telling the truth?
Looks are deceiving - their surgeon guaranties it
None of them can even hold a candle to you

[CHORUS]

We are the beautiful ones
We are the beautiful ones

Angelina Jolie - Tom and Katie too
That is what their looking for

Famous isn't holly - haven't got a clue
We deserve a whole lot more

[CHORUS]
We are the beautiful ones
We are the beautiful ones

[HOOK]
Whoa awww yeah
So beautiful, beautiful, beautiful
(x2)

[CHORUS]
We are the beautiful ones
We are the beautiful ones
