Bells, bells, bells  
Yes, I hear wedding bells

I hear bells each time I see  
You passing by  
They ring for me

I dream about the day  
That you will say I do  
Then I hear bells

Bells, bells, bells  
Yes, I hear wedding bells

The doorbell rings  
Could that be you  
The schoolbell rings  
When school is through

Each place I go  
They ting-a-ling  
Reminds me of our wedding ring

Bells, bells, bells  
Yes, I hear wedding bells

Hold my hand  
Hold it a little tighter  
While we plan  
Our future's looking brighter  
You'll understand each time  
That I hear bells  
Ding ding ding ding ding

I hear bells each time I see  
You passing by  
They ring for me

I dream about the day  
That you will say I do  
Then I hear bells

Bells, bells, bells  
Yes, I hear wedding bells

Bells, bells, bells  
Yes, I hear wedding bells

Bells, bells, bells  
Yes, I hear wedding bells
