Lucky ladybug, lucky ladybug
A lucky ladybug

Ladybug, silver dollar, rabbit's foot
With a four leaf clover and a horseshoe
Wishbone, shamrocks got me shook
Singin' Abracadabra in a cat's eye

I wonder, wonder if you love me
Guess I'll ask the star above me
When the moon is bright canary yellow
It'd really be amazin' if that crystal ball I'd gaze in
Says I'll always be your steady fellow

Ladybug, silver dollar, rabbit's foot
With a four leaf clover and a horseshoe
Wishbone, shamrocks got me shook
Singin' Abracadabra in a cat's eye

Though your words are smooth and soothin'
Don't you feel it's time for groovin'?
Come on, daddy, rock me wild, our band is rollin'
Keep it cool, my ducky-wucky, baby doll, our love is
lucky
When you walk me down the aisle, we'll do it strollin'

Ladybug, silver dollar, rabbit's foot
With a four leaf clover and a horseshoe
Wishbone, shamrocks got me shook
Singin' Abracadabra in a cat's eye

Stupid cupid gave us fever and an itchy-twitchy feelin'
And a green mosquito must have bit us
Got us walkin' like two robbers makin' moon talkin',
bobbin'
Like a firefly, splishin' and a-splashin'

Ladybug, silver dollar, rabbit's foot
With a four leaf clover and a horseshoe
Wishbone, shamrocks got me shook
Singin' Abracadabra in a cat's eye

Lucky ladybug , lucky ladybug
A lucky ladybug , a lucky ladybug
A lucky ladybug , a lucky ladybug
A lucky ladybug
