Ooh ma, how u like me now
Now that you know that I'm blingin'
Ooh, you could've took me there
Now you sittin' reminiscin'

About my time you wasted
You seen me spending faces
Could've done something
But you did nothing
You was just a waste of my time

When I was walkin' you ain't had no raps
Now I'm ballin' look who's talkin' bitch imagine that
You tried to play me 'cause your ass was fat
Think you look cute 'cause your hair is done?
I got a deal now here you come

All of a sudden wanna speak to me
Recently you dying for a piece of me
Respect yourself, have some decency
I'm in the top five no you can't creep wit me

Girlfriend, you nothing but a freak to me
Girlfriend, never take you out to eat with me
She threw her hands on my crack started teasin' me
And said, "Just think of how good we could be"

I told her, "I don't give in that easily"
Hip to the bullshit she was feedin' me
Damn, she got a body but she's a flea
Gold digga all she wanted was some cheese from me
Come on

Ooh ma, how u like me now
Now that you know that I'm blingin'
Ooh, you could've took me there
Now you sittin' reminiscin'

About my time you wasted
You seen me spending faces
Could've done something
But you did nothing

You was just a waste of my time

Just got out from the club wylin' out
Ya'll know me Lord Chopper
Donkey eggin' actin' a ass y'all cant stop us
Throwin' bows, cratchin' ya nose, rubbin' on hoes
Checkin' two-ways
Litig or smokin' on optomos

On the rear
If yo club be bumpin' we be present
V.I.P. sessions
Hot girls I'm down to undress them
Fuck it, Chellys let's do it in the back of a truck
We can get down an' dirty, whats up?
'Cause I don't give a, uh uh

Crissy poppa, mix it with the Henn an' vodka
See I'm the king and my jungle call me Mufasa
Pull up in a big body Benz sittin' on brawlas
Young and ballin' doing my thing
I'm shot calling holla
Gangsta nigga Ex scrilla I pop you up
Roll with a team of hard heads that'll box you up
We go to any club from that Whispers to thay Tunel
'Cause we the niggas from that jungle ya heard me?

Ooh ma, how u like me now
Now that you know that I'm blingin'
Ooh, you could've took me there
Now you sittin' reminiscin'

About my time you wasted
You seen me spending faces
Could've done something
But you did nothing
You was just a waste of my time

I want it so bad I can taste
Betta move do something 'cause I'm gettin' impatient
I want it so bad I cant taste
With the gun up on my waist, I'm losing patience

What's wrong with you
You know it's only won to me
This crazy bitch done went an got a gun for me
I know time ain't stop for me
I ain't asked you to hop in the six
An' come back to the block for me

I don't need no win on mine

'Cause Freddy be gon' 'til November
Long gone in the winter
Playing pong in Hong Kong
With me an' Renard my little cousin from over town
The life of a don

When I ain't writin' I'm home
When I strike like lighting I hit like thunder
Through thongs women callin' me Rome
I'm slingin' the thing in this bitch
The king ding a ling in the hood
They call me tha Paul Bunyon

A heart breaker they call me a human on my own
But you can call me from the Grand Canyon
I'm doin' great eating grapes in the tan mansion
I'm so handsome
Ya woman wanna call me grandson holla back

Ooh ma, how u like me now
Now that you know that I'm blingin'
Ooh, you could've took me there
Now you sittin' reminiscin'

About my time you wasted
You seen me spending faces
Could've done something
But you did nothing
You was just a waste of my time

Ooh ma, how u like me now
Now that you know that I'm blingin'
Ooh, you could've took me there
Now you sittin' reminiscin'

About my time you wasted
You seen me spending faces
Could've done something
But you did nothing
You was just a waste of my time
