He has hurt you. That is true.
Now he's gone and you feel blue.
But I know you will survive girl.
You can leave it all behind.
I can help. I'll be there.
I will take good care.

Sooner or later you're gonna be mine.
Sooner or later a matter of time.
Sooner or later you're losing defense.
And the emotions that you hide.
Straight to my heart they'll fly.
Sooner or later.

I will fight to set you free.

Step by step and then you'll see.
Time can heal a wounded heart girl.
And we're gonna find a start.
Just give in. Let it go.
Let your feelings flow.

Sooner or later you're gonna be mine.
Sooner or later a matter of time.
Sooner or later you're losing defense.
And the emotions that you hide.
Straight to my heart they'll fly.
Sooner or later.
