"The Woman I Love"

The woman I love. The woman I love.
She gives to me everything and all that I need.
The woman I love. This woman I love.
I'm speaking of a love of a woman.
Which is a love that's for me.

Cuz I know that her love will always be there.
And no matter what I've done.
She shows me her sweet and loving care. That's what I
know.
When I'm sick one summer and there is nothing I can
do.
She lightens up my world so bright then I feel no longer
longer blue.

The woman I love. The woman I love.
Every man needs the love of a woman.
Just like a woman needs it too.
The woman I love. The woman I love.

Don't you know the love of a woman?
A love is so special to me.

Wherever I go and whatever I do. Her love is so close.
She's my one only dream come true.
She gives me that something which I will never ever
know.
Yes I love this woman. Oh, she has a mind of her own.

I said the woman I love. The woman I love.
She gives my whole life. She gives the true love to me.
Oh I'm sayin' the woman I love. The woman I love.
When we are together she's all that I need.
The woman I love. Yes that woman I love.
Let's be for each other forever will be.
