It's on fire tonight!

[Sara]:

What we gonna do tonight?

It's on fire tonight!

[Sara]:

What we gonna do tonight?

What we gonna do tonight?

[P. Diddy]:

Tracmasters!

[Sara]:

What we gonna do tonight?

[E Ness]:

You know what happened when your girl go wild
She pop up a month later up on Girls Gon Wild
(Camera Clicks) Say cheese you on Candid Camera
And your birthday's soon like a go-go dancer!
Ain't nothin' funny I ain't Jo-Jo dancin'
E Ness - puff I's like I promote cancer
Ain't I ain't gotta kick a pick-up line
I'm a pimp so you can kiss where the sun don't shine

[Young City]:

I pull up in that platnum buggy
Club high-acting lovely
In the spot where it's packed and jumping
You can catch me at the cut tryin to rap the yucky
Sticky icky stuff
Holla at ya youngin'
Whoo whoo!
I'm back on if the macks on it
Girls like to touch and put they mack on me
I don't want to be a man
I'm in the one-night stands
You know doing it big and straight ballin, eh

[Babs]:

Is more room in the VIP

You can come take a seat by me

[Sara]:

What we gonna do tonight?

[Babs]:

Get it poppin'

Making a love scene

Plenty room in the limosine

[Sara]:

What we gonna do tonight?

[Miami]:

Baby girl leave it up to me

I wanna bite through your panty string

[Sara]:

What we gonna do tonight?

[Fred]

'Cause I got sexy things I wanna do that'll get you in the mood indeed

[Sara]:

What we gonna do tonight?

[Babs]:

Throat-deep to the club

My truck is packed

If there ain't enough room lap it up in the back

Soak through the block

Pull up in the parking lot

We all smell like weed 'cause we spark a lot

Table reserved

Chicks stand up when they see me

Lag down the way to get an apple Martini

All-night stuntin doin it up

A bunch of best-dye bitches with big-ass butts

[Miami]:

Could it be the snake skins with gators

Or throw-back Raiders?

Every moment is a Kodak for the word

But tonight I'm no mack when it comes to girl

The human spatula

Is attached to her

I snatch the uh

Pull her real close to the fur

Gave her a bottle of Chrys

Fuck a plastic cup

Let me know if we gonna bump with ya sassy self
'Cause the Don got ass to touch holla back

[Babs]:
Is more room in the VIP
