Walking in the dark.

All by myself.

What would you do?

What would I do?

I do not know myself.

At the moment.

Anxiety Attacks...

At it's most feirce.

My heart thumps.

As if it were to escape.

I look around

At my surroundings.

Everything is shrouded.

In the dark blanket

Of the night.

My eyes begin to loosen.the dark.

Becoming more translucent

To my sight.

I feel a sensation.

I am free

To do what I like.

Are you?
