Oh oh oh

With 18 girls and 7 young boys
I spend the days I had a hard rocking friend
He said what if you screw up what if you fail
What is your back up plan if all goes to hell
I said I'm not interested in second hand choices
I'm just interested in pure satisfaction

Oh oh oh

Yes I knew you would say something like this
I am proud of you You're like a brother to me
When you have achieved what you hope to achieve
I will tell the hole town that you told me so
That you said I'm not interested in second hand
choices
I'm just interested in pure satisfaction

Oh oh oh

I hate this town just as much as I love it
I like the mornings but I don't like the nights
This city's name starts with a B as in B-plan as in Better
settle for less
Why can't it be as in to Be someone special
cause I know we all could be someone special

Oh oh oh

At school in a village with 3000 citizens
we learned the importance of being polite
To go with the flow to blend in with the crowd
To wake up in the morning with a smile on your face
Most of my classmates were blue eyed and blond
with caucasian complexion
would have liked more complexity

Oh oh oh

I've been surrounded by some really good friends
and Daniel you were one of them
I know that you're fine that you're doing okay
I can hear your laughter almost every day
from your house in the woods near the ocean
with the post code 37010

Oh oh oh
