Jackson Five from a car stereo singing "I want you
back, want you back "

Just a year ago I would have danced so crazy
And now I think I wanna get back on that track
If I only could relax in this confusion
If I could dance with you the way we used to
And shake my hips to the revolution
If I could be naive again

Catherine says, "Mono's coming on Friday
And I must be the happiest girl in the world"
I'm thinking I wanna be you I wanna be you I wanna be
you, you, you.

So send me a man from Argentina,
To make me the happiest girl in the world
So come to me on Friday, or Saturday, or Sunday,
But I can't wait 'til Monday
So come to me on Friday, or Saturday, or Sunday,
But I can't wait 'til Monday

Michael Walden from a car stereo
Singing "gimme, gimme, gimme all night long"
If I only could perform I would have sung along
Cause you know that's a top five song
Maggie and Josephine says good things to me
And good things have tended to come late
So I hold my breath there's a smile on my face
And my face wasn't made to wait

Catherine says, "Mono's coming on Friday and I must
be the happiest girl in the world"
I'm thinking I wanna be you I wanna be you I wanna be
you, you, you

So send me a man from Argentina, to make me the
happiest girl in the world
So come to me on Friday, or Saturday, or Sunday,
But I can't wait 'til Monday
So come to me on Friday, or Saturday, or Sunday,
But I can't wait 'til Monday
So come to me on Friday, or Saturday, or Sunday,
But I can't wait 'til Monday
