

Billie The Vision And The Dancers "Absolutely Salutely"

Visit "[Absolutely Salutely](#)" on MotoLyrics.com

I'm on tour with the Canarie folks,
It's the summer of 2005,
And Charlie need to pee
I make him company and he says
Something I never forget.

"You know you've been away too long
When your penis smells like a cheese doodle
Â– the cheesier snack." Please take it back!
I can never eat that sort of thing again.

Charlie and L A B A N
They saved me once and they'll do it again.
I'm in love with you, tell me what to do,
To pay you back somehow.

So sing along with me if you trust me on this one.
Some people deserves a salute,
Some people absolutely deserves a salute.
I count to four: one, two, one two three four

We went to Emmaboda in the morning
To do a breakfast pop show in a tent.
And we decided to go an hour ago,
And the Swedish pop freaks went "Hey hey ho!" Â”

And we did a really good show that morning,
Just as good as we always do.
And the Pipettes were there
And the Cassettes were there
And Andy the father of monkeys was there said:

"I'm gonna give you to the UK
Billie the Vision and the Dancers.
You can sleep at my place,
You can eat from my plate.
Let's conquer this kingdom together".

So sing along with me if you trust me on this one.
Some people deserves a salute,
Some people absolutely deserves a salute.
I count to four: one, two, one two three four

The Norwegian guy introduces himself and I say
"Oh my God! Is it you?
I'd rather talk to you than dance with you
So tell me all about the Convenience".

And then we started to talk about music,
He said "show me some of your songs.
Take me to your bus and show me some stuff
Show me the black Pablo to the Whitest Boy Alive".

I was lying on a blanket in the grass
When Sanny & Tim came and woke me.
"We got something for you and our intention is true
A phone number to a stop smoking line."

So sing along with me if you trust me on this one.
Some people deserves a salute,
Some people absolutely deserves a salute.
I count to four: one, two, one two three four
